# The LEEMON • BOYLE • ANDERSON SALE

November 13, 1959

Danville, Illinois

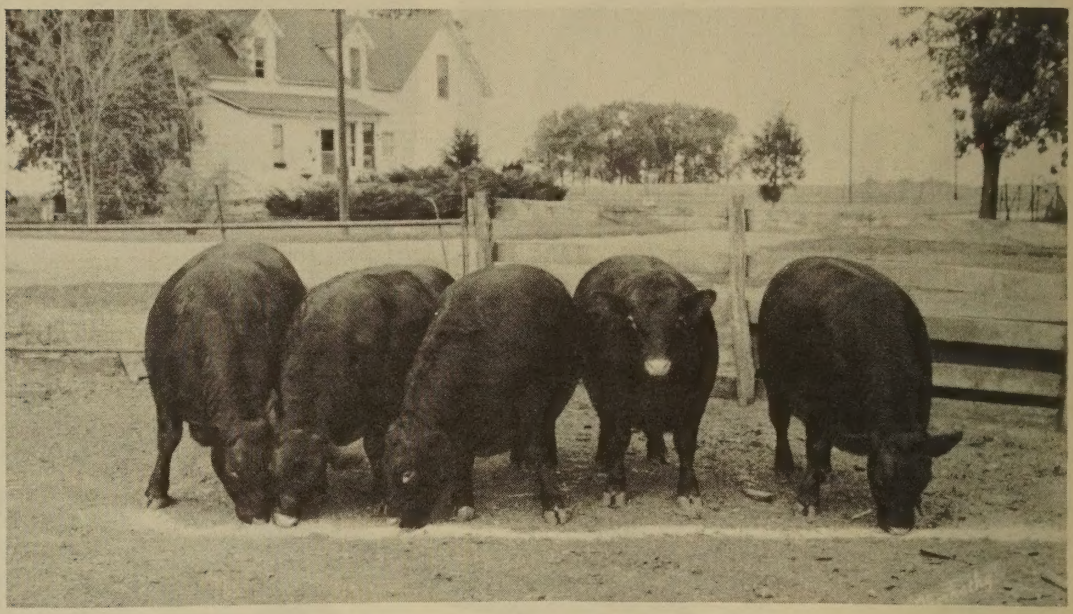

Quality Polled Shorthorns

A famous pair produced at Leemon Stock Farm. Ceremonious Rosewood Rose, at the left, is not selling. The heifer on the right is Ceremonious Jealousy 21st, grand champion female at the 1959 Illinois and Indiana State Fairs. She will sell in this sale as Lot 14.

## THE VICTORY SMILE

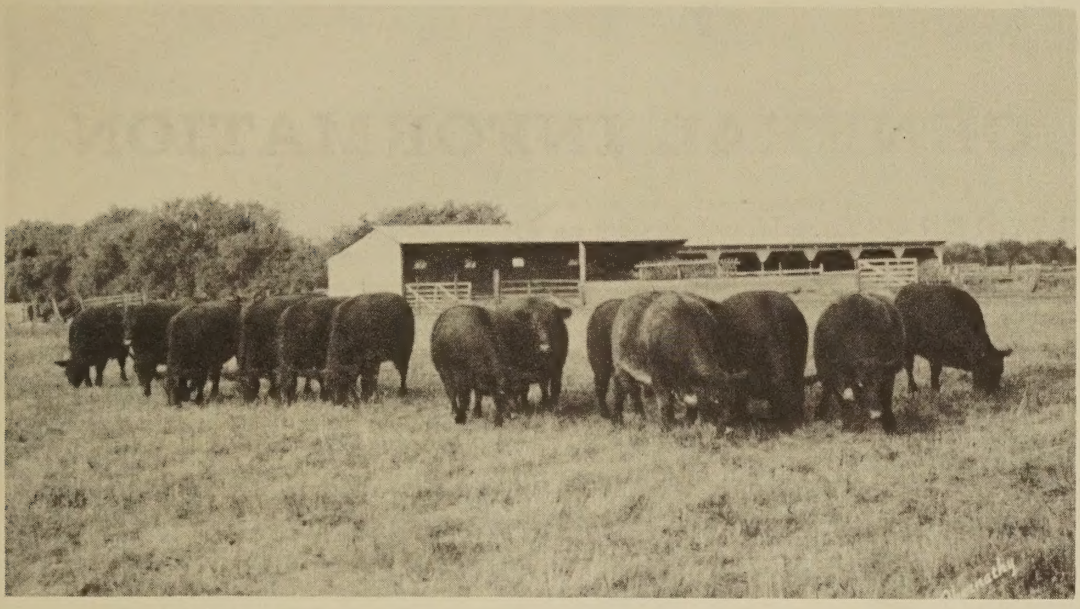

Charles E. Leemon flashes a big smile as he accepts the trophy for grand champion female at the 1959 Illinois State Fair. The award was won on the sensational senior yearling heifer, CEREMONIOUS JEALOUSY 21st. "Chucky" is the owner of this famous champion and she will sell in this sale as Lot 14. At Leemon Stock Farm three generations of Charles Leemon's have bred prize-winning Polled Shorthorns over a span of 58 years.

**THE ANDERSON KIND** – Blocky bulls, with plenty of scale and good polled heads. These five bulls all sell. From left to right: Clover Advance (Lot 10), Clover Climax (Lot 6), Clover Gallant (Lot 8), Clover Harmony (Lot 9), and Clover News (Lot 7).

**THE BOYLE KIND** – Polled Shorthorns with ample size, substance and character are produced by Marshall L. Boyle and they do well for those who buy them. The five choice heifers shown in this picture are all selling in this sale.

**THE LEEMON KIND** – Fourteen beautiful heifers, including the 1959 Illinois and Indiana State Fair grand champion, will be offered by Leemon Stock Farm and they are all shown in this picture. They are the best in Leemon history.

**Sale to be held in the Danville Livestock Pavilion**

**FRIDAY, NOVEMBER 13, 1959**

**Starting at 12:00 Noon, Central Standard Time**

**HAL LONGLEY, Sale Manager, 16 South Locust St., Aurora, Illinois**

# GENERAL INFORMATION

**LOCATION** – This sale will be held on Friday, November 13, 1959, at the pavilion owned by the Danville Livestock Commission Company, four miles west of Danville, Illinois, just off route U. S. 150, or 12 miles south of U. S. 136 on Hillery Road.

**TIME** – Since there is a liberal number of cattle to sell, and days are short at this season, the sale will start promptly at 12:00 noon, Central Standard Time. Lunch will be served at the pavilion.

**SHIPPING** – Reliable truckers will be available. Although all cattle will be at buyer's risk as soon as bid off, we will be glad to make trucking or shipping arrangements and assist in loading on trucks or cars.

**HEALTH** – A 60-day retest for Tuberculosis will be allowed. Calfhood vaccination for Bang's is practiced in all three herds. Health certificates will be furnished that comply with the rigid health regulations of the State of Illinois.

**GUARANTEE** – All cattle will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. This guarantee, printed in full elsewhere in this catalog, will form a contract between the buyer and seller of each lot. The sale manager was retained for sale promotion purposes only, and is in no way responsible for the fulfillment of guarantees, the handling of the cattle or the condition of the premises. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale, without trouble to the purchasers, but cattle will be at buyer's risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound and healthy condition.

**BREEDING DATES** – A good many breeding dates are printed in this catalog, and we believe them to be correct as of the time of printing. However, breeding dates do change, and we want it expressly understood that announcements from the auction block on sale day will take precedence over printed matter in this catalog.

**TERMS** – The terms of this sale are cash unless arrangements are made in advance. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction, and before the animals are removed.

**LIABILITY** – The above guarantee and terms shall constitute a contract between the seller and the buyer of each lot. Neither the clerk of the sale, nor the individual designated as Sale Manager assumes any liability, legal or otherwise. Where footnotes appear in this catalog, they were furnished by the owner We will not be responsible for any accidents that may occur, but will make every effort to provide for the comfort and safety of our guests. Accidents at cattle sales are rare, but every person attending must do so at his own risk.

**MAIL ORDERS** – Those unable to be present, and who wish to do so, may send buying orders to any of the following, reliable men, all of whom will be in attendance: Hal Longley, The Shorthorn World, Aurora, Illinois; H. W. Walker, Eastern Fieldman, The Shorthorn World, 904 East 38th Street, Indianapolis, Indiana; Kenneth Fulk, Secretary, American Shorthorn Breeders' Association, Live Stock Exchange Bldg., Omaha, Nebraska; Darrell Overholt, The Drovers Journal, Chicago, Illinois, or to the auctioneers.

**AUCTIONEERS** – C. D. Swaffar, Luke Gaule and Jim Humphreys.

**Yes, it's the same pair of heifers pictured on the front cover of this catalog. Here they are again with their heads up and posed so that you can see the perfection of form. Ceremonious Rosewood Rose, at the left, does not sell. At the right is Ceremonious Jealousy 21st, grand champion female at the 1959 Ohio and Indiana State Fairs. She will sell in this sale as Lot 14. Have you ever seen a better Polled Shorthorn female?**

## A WORD OF WELCOME

We cordially invite you to be with us for our first sale of Polled Shorthorns. We each maintain herds too large to make possible a complete private treaty marketing program, hence this joint sale by auction is our most practical arrangement. We are competitors in the major shows, yet good friends outside the show ring with similar aims and objectives. We have consigned to this sale in approximately equal numbers and each of us have included most of our 1959 show animals. In fact, this sale may be termed the show window for our three herds because we are each selling our very best. We have all been around shows and sales enough to feel that we know what breeders want for their improvement programs, and what beginners need for the foundation of successful herds. That the cattle we are offering will accomplish the aims of those who buy them is our sincere belief.

We shall look forward to greeting you on November 13th.

**Chuck Leemon – Mickey Boyle – Glen Anderson**

## THE LEEMON HERD . . .

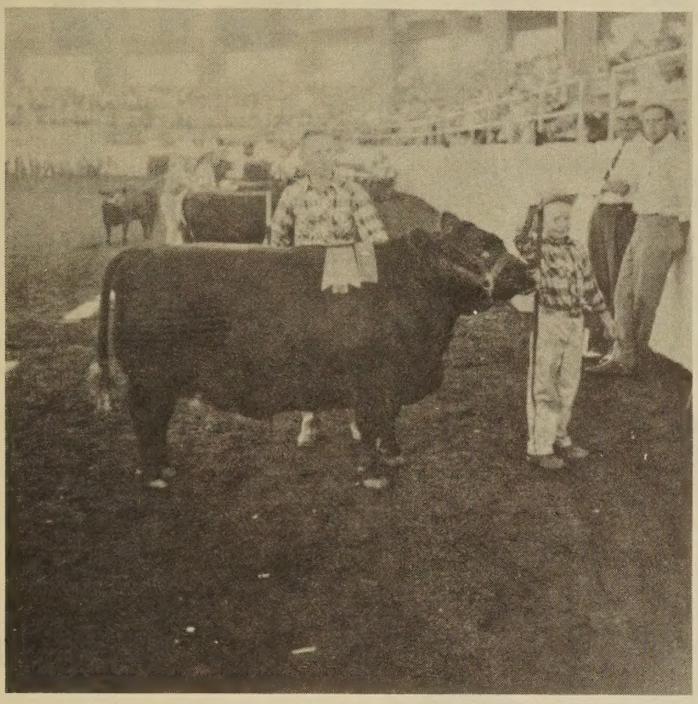

Leemon Polled Shorthorns have made history in the show rings and in great herds all over the world since the herd was established in 1901. Charles B. (Chuck) Leemon has succeeded to the ownership and active manager from the original partnership which comprised his father, the late Charles N. Leemon, and his uncle, John B. Leemon. Records of the International Live Stock Exposition reveal that the Leemons have exhibited eight grand champion bulls and three grand champion females at this greatest of all livestock shows, a record with few equals. The records also reveal that these International grand champion bulls sired first prize winning groups in the get-of-sire class at three International shows. Yes, Leemon Polled Shorthorns have made history, but the productions of today are better than ever and are capable of making future history.

## THE BOYLE HERD . . .

Marshall L. (Mickey) Boyle is one of the good cattlemen of the country as was his father, L. F. Boyle, who preceded him. His experience has been varied and has included managing top herds for others as well as maintaining the great Sand Prairie Herd under his own ownership. Boyle Polled Shorthorns are reared under practical conditions and have done well for those who have bought them. As an example, a heifer produced by Mickey Boyle provided the foundation for the famous Jealousy family in the Leemon Herd and this is the family that produced the famous 1959 grand champion female that will sell as Lot 14 in this sale.

## THE ANDERSON HERD . . .

Glen L. Anderson, owner, has made a name for himself as a producer of Polled Shorthorns and Berkshire hogs. Promotionally minded, he served many years as president of the Illinois Polled Shorthorn Breeders' Association and is presently a director of the American Polled Shorthorn Society. His herd, strong in the blood of Edellyn Royal Leader 2d through foundation purchases from the famous Cherry Hill and Carona herds, has consistently produced calves that have topped major consignment sales and worked improvement wherever they have gone.

Standing at the top of her class wherever shown and winning grand championships at the strong Illinois and Indiana State Fairs, Ceremonious Jealousy 21st, is the sensational Polled Shorthorn female of the year. She is owned by Charles Leemon III who is shown at the halter and who will offer her in this sale as Lot 14.

The future of the Polled Shorthorn breed is assured when our younger breeders can produce a sale offering like this. Those who have seen the 53 head will join me in congratulating Chuck Leemon, Glen Anderson and Mickey Boyle for the quality of their productions. Those who have not had this privilege will find proof of this quality through studying the pictures in this catalog.

Here are three young men, all descended from a line of folks who have believed in the merits of Polled Shorthorns and who have improved the breed, each offering his best. The cattle have been reared under conditions that insure good health and useful, productive lives. They are by sires of national repute and from dependable families.

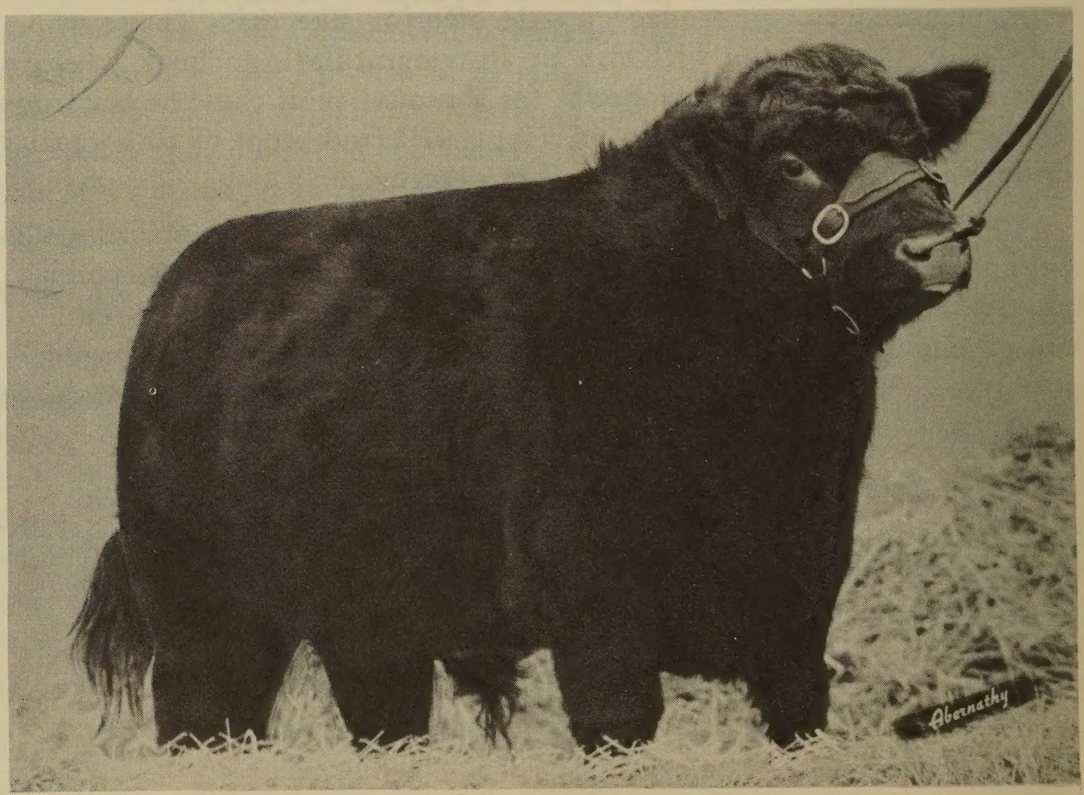

Frequently we are asked "Where can I buy Polled Shorthorns that are of top quality and also backed by intense polled ancestry?" Prospective buyers may attend this sale with assurance that they will find that kind.

HAL LONGLEY, Publisher
The Shorthorn World.

Owning or breeding an International champion is nothing new at Leemon Stock Farm. This first happened in 1917, a year we exhibited both International grand champions. However, we are as thrilled with this present champion as if it were our first. All who saw LF Fashion at the 1956 International, and all who have seen him at our farm agree that he is the type of the future.

This son of the International grand champion L F Fascination x is a half-brother to a string of cattle that caught everyone's eye at the 1956 International, giving us a perfect insight to what we could expect of LF Fashion x in the Leemon herd. His many outstanding sons and daughters in this sale prove the breeding worth of L F Fashion x, a champion himself and a son of an International grand champion.

Roberta x2742–288, one of the breed's greatest females, is out of the same cow as L F Fashion x. Produced from the mating of Collynie Compact x with the famous Durno-bred imported cow Lochmoor Roberta by Saltoun Red Ensign, this heifer was purchased by Dr. & Mrs. J. B. Stoll, West Plains, Mo., from Landen Farms in the 1954 Ohio Polled Shorthorn Sale at $5,000, a record up to that time for a Polled Shorthorn female at auction. Note the similarity in type to L F Fashion. Proof that this type will breed on.

CEREMONIOUS JUGGLER 3rd x – A show bull and an excellent sire whose get will be a feature of the Leemon Stock Farm consignment to this sale. He won first prize in the two-year-old class at the 1952 Indiana State Fair. Sired by Coronet Max Juggler 3rd x, he is a half-brother to the $20,000 TPS Max Coronet 5th x, grand champion Polled Shorthorn bull at the 1953 International Live Stock Exposition. Ceremonious Juggler 3rd x is the senior herd bull at Leemon Stock Farm, and his calves are characterized by size, bone, substance, deep bodies, excellent heads and easy feeding ability.

CLOVER CLIMAX x is our Land of Lincoln junior champion and reserve grand champion bull at the Illinois State Fair. He has a good head, lots of bone, and is straight in his lines. He has a thick covering of smooth, natural flesh and stands on sound, straight legs. He is a full brother to our top bull at the '59 Congress that went to the Humphreys at Walcott, Indiana. Here's another great herd bull prospect that represents the Archwood Romeo-Carona Direct x blood blend.

## CEREMONIOUS JEALOUSY 21st x

### This Famous Grand Champion Will Sell

The greatest female ever to leave the farm in our 58 years in this business. Grand champion at the Illinois and Indiana State Fairs and reserve grand at Missouri this year. She was second at the International as a calf last year. She is from the best family we have ever owned and very few of these Jealousys have ever been offered. The breeders and judges who have seen this heifer at the shows say she is the deepest bodied heifer they have seen. She has a great head, is wonderful in her heart, carries her width all the way with a great rear end and is extremely short legged. Sells bred to L F Fashion x, the 1956 International reserve grand champion. We wish to reserve show rights on this heifer for the International.

CEREMONIOUS ESCORT x, the sire of the 1959 grand champion female, Ceremonious Jealousy 21st, that will sell as Lot 14 in this sale. Ceremonious Escort was the top-selling Leemon bull in the Leemon–Richardson sale, going at $1,410 to Franklin Morrison, Odessa, Missouri.

## WHAT ONE RIGHT PURCHASE CAN DO!

The Polled Shorthorn female pictured above is the great-great grandam of Leemon's famous champion Ceremonious Jealousy 21st, Lot 21 in this sale. She was bred by Marshall L. Boyle. When she was offered in the Boyle-Busch sale in Chicago, Chuck Leemon, then a youngster making his first purchase, bought her at $400. Over half of today's herd at Leemon Stock Farm are members of the Jealousy family tracing to this original foundation female. Chuck Leemon says, "It was the best investment I ever made."

CEREMONIOUS JEALOUSY 15th x. This heifer topped our consignment to the Leemon-Richardson Sale in 1958. She was purchased at $700.00 by Mr. and Mrs. Lloyd Lindley, Russiaville, Indiana. She is a full sister to the dam of Lot 14 and a member of the same family as Lot 15

# Standard Guarantee

## OF

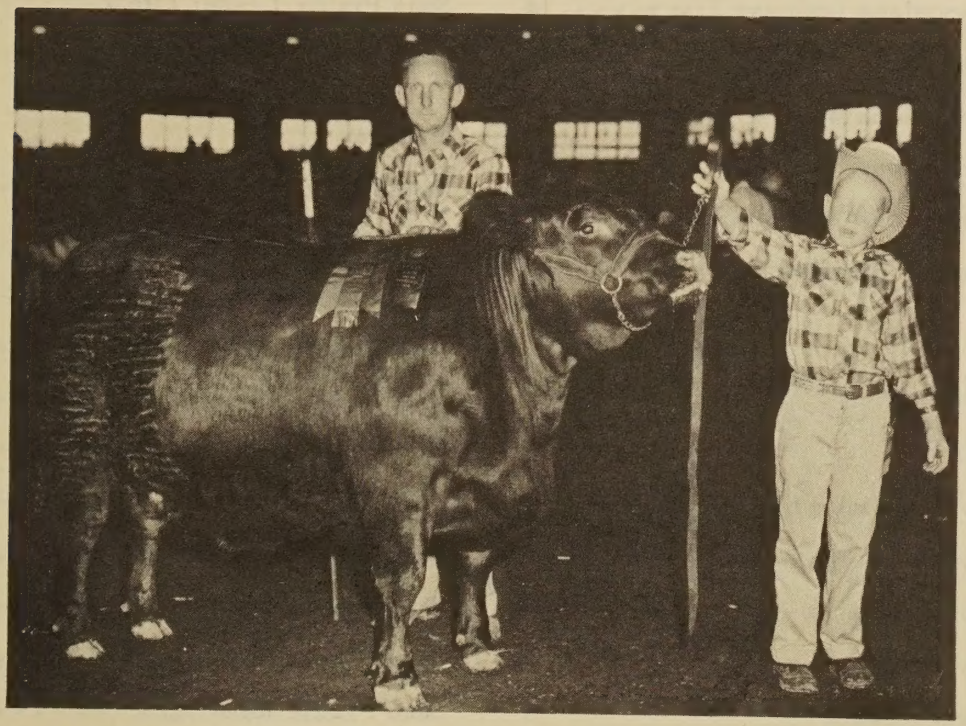

## AMERICAN SHORTHORN BREEDERS ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or not allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot, even though bred, are considered breeders and no further guarantee is given.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for calves at side or unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
6. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.

**INQUIRIES ABOUT CATTLE LISTED—The sale manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animal listed in this catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 S. Locust St., Aurora, Illinois.**

Mr. and Mrs. Chuck Leemon and son Charles III are shown in this picture receiving the trophy and congratulations from Forrest Lemmon, superintendent of cattle at the Illinois State Fair, for winning the Land of Lincoln bull championship at that great show in 1956. The bull that won the grand championship is Ceremonious Escort, Lot 1 in this sale.

Proud of this heifer? You bet he is! This picture shows Ceremonious Jealousy 21st x, grand champion Polled Shorthorn female at the Illinois and Indiana State Fairs, along with "Chucky" Leemon and his dad, "Chuck." "Chucky" owns the heifer and is offering her in this sale as Lot 14.
